About the camp...

The Henderson County Sheriff's Office and Henderson City Police Department—in conjunction with the Henderson County Schools—has created a summer law enforcement experience to give interested students an opportunity to interact with police officers while learning about some elements of law enforcement. The program is designed to encourage teamwork and healthy sense of self-esteem while reinforcing the benefit of choosing the right path and good choices. The primary goal of the program is to develop a better understanding of how law enforcement works in our community and to foster good citizenship.
