

## HENDERSON POLICE DEPARTMENT

1990 Barret Court  
Henderson, Kentucky 42420  
270-831-1295

## Media Release

Sometimes, more than one person rises to the top of our list for employee/officer of the month. With that said, the Henderson Police Department is recognizing the contributions of two of our members as our Employee and Officer of the month for May.

Senior Secretary Linda Epley is being recognized for her service to our community during the recent storms and flooding. She used her disaster response experience to assist the Henderson Emergency Management Agency with setting up an emergency shelter and she worked with 4GoodCommunity to set up a disaster warehouse space to store and receive supplies.

On 4/26/25, Officer Miller responded to a kidnapping incident. Officer Miller quickly located the suspect's vehicle and conducted a felony traffic stop while waiting for other officers to arrive before detaining five (5) individuals. Officer Miller maintained his composure and took control of the situation when some of the suspects began yelling and being disorderly. Officer Miller was able to locate the guardian and return the baby back to her.

Congratulations to both for being named as our Employee and Officer of the Month for May!
